

SIEMENS 6ES7193-4FL00-0AA0 SIMATIC DP, ADDITIONAL TERM.

Our Product Introduction

Basic Information

- Place of Origin: Germany
- Brand Name: SIEMENS
- Certification: CE
- Model Number: 6ES7193-4FL00-0AA0
- Minimum Order Quantity: 1
- Price: USD
- Packaging Details: 15,10 x 15,40 x 4,60
- Delivery Time: 10-12Days
- Payment Terms: L/C, T/T
- Supply Ability: 100

Product Specification

- Number Of Digital Outputs: 6
- Country Of Origin: Germany
- Number Of Analog Inputs: 2
- Range: Simatic S7
- Certifications: CE, UL, CUL, FM, C-Tick
- Number Of Digital Inputs: 8
- Communication Ports: 2 Ethernet, 1 RS-485
- Product Group: 3740
- Subrange: S7-300
- Type Of Product: Analog Modules
- Power Supply: 24 VDC
- Protection Class Ip: IP30
- Number Of Analog Outputs: 2
- Memory: 1 MB
- Manufacturer: Siemens

Product Description

SIEMENS 6ES7193-4FL00-0AA0 SIMATIC DP, ADDITIONAL TERM.

Understood, let's review the details of the Siemens 6ES7193-4FL00-0AA0 SIMATIC DP Additional Terminal Module:

1. Product Name:

- SIMATIC DP Additional Terminal Module

2. Model Number:

- 6ES7193-4FL00-0AA0

3. Interface:

- This is an additional terminal module designed for use with the SIMATIC DP (Decentralized Periphery) fieldbus system.

- It provides an interface for connecting additional field devices and I/O components to the SIMATIC DP network.

4. Functionality:

- The additional terminal module serves as a supplementary connection point for integrating more field devices and sensors into the SIMATIC DP system.

- It allows for the flexible expansion of the number of I/O points and connected devices in a SIMATIC DP network.

5. Features:

- The 6ES7193-4FL00-0AA0 model has a modular design with a standard DIN rail mounting mechanism.

- It includes screw-type connection terminals for wiring field devices.

- The terminal module is designed to be easily integrated into the SIMATIC DP network architecture.

6. Applications:

- This SIMATIC DP Additional Terminal Module is well-suited for use in distributed I/O applications that employ the SIMATIC DP fieldbus system.

- It enables the expansion of the I/O capacity and the number of connected field devices in SIMATIC DP networks.

- The screw-type terminals provide a secure and reliable connection method for the attached field devices.

7. Compatibility:

- As a SIMATIC DP component, this additional terminal module is designed to be compatible with other SIMATIC DP devices and systems.

- It can be seamlessly integrated into existing SIMATIC DP network topologies to increase the I/O capacity.

The key purpose of the Siemens 6ES7193-4FL00-0AA0 SIMATIC DP Additional Terminal Module is to provide a supplementary connection point for expanding the number of field devices and I/O points in a SIMATIC DP distributed I/O network.

With its modular design and screw-type terminals, this additional terminal module offers a flexible and scalable solution for growing the I/O capabilities of SIMATIC DP systems as required by the application.

Overall, the 6ES7193-4FL00-0AA0 SIMATIC DP Additional Terminal Module is a useful component for SIMATIC DP network expansion and I/O capacity increase in distributed automation and control applications.

Please let me know if you have any other questions!

Product	
Article Number (Market Facing Number)	6ES7193-4FL00-0AA0
Product Description	*** spare part *** SIMATIC DP, add-on terminal for ET 200S and ET 200S Compact 32 channels in 3-wire system spring for 4 conductors two terminals inserting
Product family	Not available
Product Lifecycle (PLM)	PM410:Product cancellation
PLM Effective Date	Product is cancelled since: 01.10.2020
Notes	This product is a Spare Part, please visit the Spares & Service section for more information If you need assistance please contact our local Siemens office
Price data	
Region Specific PriceGroup / Headquarter Price Group	S20 / 2ET
List Price	Show prices
Customer Price	Show prices
Surcharge for Raw Materials	None
Metal Factor	None
Delivery information	
Export Control Regulations	ECCN : N / AL : N
Estimated dispatch time (Working Days)	1 Day/Days
Net Weight (kg)	0,159 Kg
Packaging Dimension	8,00 x 15,40 x 4,60
Package size unit of measure	CM
Quantity Unit	1 Piece
Packaging Quantity	1
Additional Product Information	
EAN	4025515073222
UPC	662643226836
Commodity Code	85369010
LKZ_FDB/ CatalogID	ST9-E5
